ABOUT BLC, INC.

My name is Brandi, and I specialize in Cognitive Behavioral Therapy, primarily for those struggling with generalized anxiety, substance abuse, life transitions, and relationships. I have been in private practice in Santa Barbara for 4 years and am so excited to add some great associates to my team!

BRANDI DAVIS, LMFT

TELEHEALTH

My practice is 100% remote at this time. AMFT's will also be working remotely and performing tele-health sessions. If in-person is desired, I am willing to discuss renting hourly space so those sessions can be performed.

EXPECTATIONS

Necessary paperwork (responsibility statement, logged hours that need to be signed, etc.)...is the responsibility of the AMFT.

The onboarding process and building a caseload takes some time, but things can get busy quickly. Please have a clear intention of what an ideal timeline looks like for you, and what you can commit to fully.

APPLY

Please submit a cover letter, resume and contact information for two professional references to bdfitlife@gmail.com.
